Dear Mayor Lulu Davis,

I want to bring something to your attention as our city Major.

On Sunday, 01 May 2022 at approximately at 1:44am. I contact the Carson Sheriff Department of complaint of city ordinance of extremely loud music at my neighbor next door coming from their garage.

I don't like approaching people who are making a nuisance with loud music. But I had to get up early in the morning for work. Needless to say, the Sheriff Office didn't send no one out to resident to diffuse the situation. The next door resident neighbor party until 4:30am and I never saw a patrol car or patrolman come do their respective duty. I got no respond or return call telling me they took care of it.

They informed me they would handle this and they would send a officer right away. This never happened! So if a major crime had occurred then how would of they responded.

We are Tax paying citizens and to get a simple request and we can't even get this. This is unsatisfactory and unprofessional and show lack of respect for our city towards citizens of any crisis that occurred in our city. Services are not rendered or followed up. I am so upset this never happens or followed up.

I don't take this lightly, but a simple drive to resident and make a 5 minute visit to discuss the complaint by me to be taken care of in a timely manner.

Tax payers money paid their salary and wages and we get nothing in return.

I wanted you to know what happened and nothing was done. I don't trust or believe in our protection peace officer of Carson/LA of lacking their responsibilities in any type of situation either major or not. They don't care! Do you care about us?

Sincerely,

[REDACTED]
